
Building Specifications

Arena Floor

The all-concrete Arena floor is 25,000 square feet with the courtside seats retracted (210 ft x 118 ft) or 10,000 square feet with the courtside seats in place (120 ft x 84 ft).

Back Stage Tunnel

Two convenient unloading bays divided by a wall enable two semi-trucks to load and unload, totally unobstructed. One door is 12' 6" wide and the other is 10' 8" wide, both are 14' 4" high.

- One of the tunnels has water & a drain available.
- Doors are 135' from stage. No obstruction to the stage. All concrete flooring.
- Storage room adjacent to tunnels is 88' x 35' with a separate roll-up door.
- Parking area for 20 trucks is separate from public parking lots.
- Strict security guidelines prevent unauthorized backstage access.
- Limited bus hookups are available for use on performance day only.
- An 8' tunnel leads from locker rooms to arena floor.

Concourse

- 35,000 square feet.
- Height at sides varies from 13' to 20'.
- Painted from floor to ceiling.
- Completely tiled.
- Has televisions that can broadcast live house feeds, cable t.v., VHS, Beta, or DVD videos.
- Has an electronic message board located inside the main entrance.
- There are 30 luxury suites containing 450 seats leased on an annual basis. Most are equipped with stereo systems, cable television, wet bars, microwave ovens, refrigerators and video systems.

Locker/Dressing Room Facilities

Thomas & Mack Center provides a total of six locker / dressing rooms and an office. Access to and from the locker/dressing rooms is through the truck tunnel or from the arena floor by separate hallways.

- Regular locker/dressing rooms - Each of these four rooms (A, B, C & D) is carpeted. The rooms can accommodate up to 20 people. Restroom & shower facilities.
- Small locker/dressing room - This room has carpeting and a bench. It accommodates up to 10 people. Restroom & shower facilities.
- The large locker/dressing room - This room has carpeting and is furnished with 20 permanent lockers. It can accommodate up to 35 people. Restroom & shower facilities.
- Production Room - This room is carpeted, is phone line ready and has no facilities.

Press Room/Production Offices/Artists & Staff Catering

- The Backstage Cafe is 2,000 square feet and fully carpeted.
- Has multiple telephone combination hookup capabilities.

- Has four (4) t.v. monitors and in-house closed circuit & cable television.
- Has portable risers; one set is usually set for talent with the other set used for t.v. cameras, if requested.
- Can be used as a cafeteria for artist and staff.

Meeting Rooms

- The main meeting room, the Board Room, is 91' x 59'.
- The Si Redd Room is 112' x 42'.
- Two 25' x 35' meeting rooms are available for large or small group entertainment. These two rooms can also expand into one 75' x 35' meeting room.
- All meeting rooms are fully carpeted, equipped with overhead lighting, have complete audio & visual, and phone line capabilities.

Production Parking Lot

- The lot is a pie shaped measuring approximately 210' x 300' x 370'.
- The lot is secured by a 6' fence & is separate from the public lots.
- There is shore power in the lot. We have 1 x 100 amp 208/240v 3 phase, along with 2 x 200 amp 208/240v 3 phase.
- There is room for approximately 18 trucks and 6 buses, or 103 normal parking stalls.
